COUNCIL COMMUNICATION

AGENDA TITLE: Purchase of Exhaust System for Equipment Maintenance Shop (\$13,950)

MEETING DATE: April 3, 1996

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the purchase of the above project to NeuTech/RM Construction, of Loomis, in the amount of \$13,950.67 and appropriate funds in accordance with the recommendation shown below.

BACKGROUND INFORMATION: This project consists of designing, furnishing, and installing an overhead exhaust system at the Equipment Maintenance Shop.

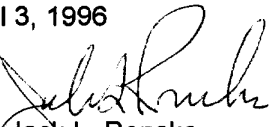

The Equipment Maintenance Shop needs an exhaust system added to its facility to protect employees from harmful emissions. It's critical that this installation be made as soon as possible.
